The School would wish the successful contractor to review the current range of services offered and make recommendations accordingly, and to look for future opportunities to engage with users regarding feedback and quality of service. The contract offered covers the scope for the provision of all catering services within the School, which currently includes morning break, lunch, all hospitality and free issue requirements. Free School meals and hospitality will be charged based on consumption and at net food cost. It should be noted that Overton Grange is a nut free school, and no products which contain or may contain nuts can be used or sold on site. The School expects the successful tenderer to evidence, through their bid, how they shall support and complement its values and support the principles of Every Child Matters. The School believes that success should be celebrated and that pupils

should enjoy their time at school; if lessons are stimulating and challenging then students will love learning. Much time, therefore, is spent reviewing and planning schemes of work to ensure that they are differentiated to meet the needs of all students. As a result, the School are very enthusiastic regarding work experience and apprenticeship proposals and would welcome the input of the successful Contractor. As a school who are continually seeking ways to improve and develop the ethos and environment for students and staff, to give them the facilities they deserve and need to meet the challenges of the 21st Century, any consideration regarding inward capital investment as part of the Contractor's tender submission would be welcomed.
