Value excluding VAT: £703,328.13

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKI - London

Main site or place of performance

LONDON

II.2.4) Description of the procurement

The successful Supplier will be required to provide full catering services to All Saints Catholic College located at: 75 St Charles Square London, W10 6EL Background Since Headteacher Andrew O'Neill took up his post in September 2016 the school has been

radically transformed. Then girls' school Sion-Manning, it was undersubscribed, buildings neglected and set to close. Andrew has overhauled the school, doubling the pupil numbers from a low of under 400 to now 820 (840 from September 2023) and securing this summer GCSE results in the top 5% nationally. He embarked on an ambitious refurbishment and expansion programme which has seen over the past 5 years improvements made to every single space in the school. In September 2018, a key part of the transformation saw the school become All Saints Catholic College, a co-educational 11-16 school, admitting boys into the school for the first time. Since the transition the school has gathered real momentum with improved academic success and more families applying to send their children to the school. This rising popularity has seen the school successfully move from 4 forms of entry to 5 and is currently underway with the plans to expand to 6 forms of entry where pupil numbers will reach circa 900. Our success has recently been recognised with an Ofsted grading of Outstanding in all 4 categories (November 2022) and Andrew winning National Secondary Headteacher of the Year as broadcast on BBC's The One Show (November 2022). Further details can be found School website: <https://www.allsaintscc.org.uk/> Basis of Contract The Client wishes to participate in a tender process with the intention of appointing a quality catering company to deliver full catering services. The contract will commence from September 2023 and will be for an initial period of 3 years plus an option to extend up to a maximum of 5 years. The revenue is estimated to be £650,000 (over initial period of 3 years). Objectives The appointed Supplier will have proven experience of delivering quality catering services within secondary schools and should have suitable experience and expertise of successfully increasing pupil meal uptake. Furthermore, the Supplier should ideally have a strong operational base in the local area together with a compelling attitude towards making the lunchtime service appealing, healthy, nutritious and interesting for pupils Ultimately, it is important that the Supplier can demonstrate an ability to manage an efficient catering service through the application of effective staff training, management and quality controls that delivers continual 'best value' to the school. See SQ document for further details
