Community benefits are included in this requirement. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2361>

A summary of the expected community benefits has been provided as follows:

As part of Community Benefits we are looking for successful bidders to make a monetary donation to the Hillcrest Foundation. The Hillcrest Foundation helps set up services and projects that benefit people and communities across Scotland.

For this contract we are looking for successful bidders to make a donation of at least 0.5% per annum of the value of the contracted works. As this is a framework agreement this will be split equally amongst the suppliers on the framework.

An example of how this would be structured is as follows –

Total Contract Value for 3 years = GBP300,000 per lot

Contract Value per year = GBP100,000 per lot

If there are 4 suppliers on the framework, this should result in approximately GBP25,000 per annum in goods supplied.

The expectation would be that based on 0.5% per supplier, each supplier would donate a minimum of GBP125 per annum to the Hillcrest Foundation.
