Changes to notice

This notice has been edited. The [previous version](#) is still available.

Added The following across the notice regarding Local Government Reorganisation .

Prospective tenderers should note that this contract may be affected by Local Government Reorganisation (LGR). In accordance with Schedule 8 of the Procurement Act 2023, this contract may be novated to a successor council or otherwise modified to reflect the requirements of any new council arrangements arising from LGR. The exact nature of any modification or novation cannot be determined at this time, but such changes will be managed under both the Procurement Act 2023 and the contractual provisions

Scope

Reference

CPH130

Description

The Council is seeking providers to deliver a social connection service for Derbyshire residents (excluding Derby City Residents). This service is being procured under the Light Touch Regime of the Procurement Act 2023. The service will deliver effective, prevention focused social connection initiatives to reduce loneliness, improve wellbeing, make best use of community assets, and strengthen the resilience of local communities.

The contract is divided into three geographical lots across the County.

Lot 1: North East - Bolsover, Chesterfield and North East Derbyshire

Lot 2: North West - High Peak and Derbyshire Dales

Lot 3: South - Erewash, Amber Valley and South Derbyshire

The Social Connectedness Service will commence on 01 November 2026 for a period of 2 years to 31 October 2028, with an option to extend for a further 12 months. The total contract term will be up to 3 years.

Prospective tenderers should note that this contract may be affected by Local Government Reorganisation (LGR). In accordance with Schedule 8 of the Procurement Act 2023, this contract may be novated to a successor council or otherwise modified to reflect the requirements of any new council arrangements arising from LGR. The exact nature of any modification or novation cannot be determined at this time, but such changes will be managed under both the Procurement Act 2023 and the contractual provisions

Other information

Description of risks to contract performance

Due to the potential changing environment, modifications to the contract may be required to be implemented during the contract term, this may include:

Variations to KPI's and Outcomes as a result of performance review, evaluation of outcome and community needs. Including the development of Cost benefit Analysis.

Changes to the delivery model to reflect emerging needs, co-production insights, or strategic priorities. This may include adjustments to the services offered, target groups, geographic coverage, delivery methods, monitoring measures, or collaborative arrangements.as a result of performance review, evaluation outcomes and community needs.

Uplifts/reduction in budget subject to budget availability for increases in volumes, additional funding streams and or exceptional cost pressure at the Councils sole discretion.

Prospective tenderers should note that this contract may be affected by Local Government Reorganisation (LGR). In accordance with Schedule 8 of the Procurement Act 2023, this contract may be novated to a successor council or otherwise modified to reflect the requirements of any new council arrangements arising from LGR. The exact nature of any modification or novation cannot be determined at this time, but such changes will be managed under both the Procurement Act 2023 and the contractual provisions
