Scope

Description

Procure Plus are a value focused, not for profit company that specialises in the procurement of goods and services related to both the new build, repair, and maintenance of social housing.

Procure Plus intends to procure and enter into a framework for the installation of low and zero carbon technologies within social housing properties and properties across the wider public sector. The framework covers the assessment, design and coordination of retrofit measures and the installation of air source heat pumps, ground source heat pumps, electric heating, solar PV and battery storage as well as multimeasure retrofit works which also include insulation and ventilation.

Engagement process description

In preparation for the procurement of the framework, Procure Plus has undertaken the following forms of preliminary market engagement -

- Engagement with existing supply chain and the identification of suppliers via desk-based research to update and utilise product specifications for materials associated with the multi-measure retrofit installation lots. The reliance on specifications for this purpose is to ensure fairness in the completion of the price element of the tender and is not an indication or

preference or exclusivity.

- The completion of desk-based research to establish patterns and trends of financial standing to inform the development of the conditions of participation (legal and financial capacity).
- The completion of desk-based research to understand insurance and professional accreditations to inform the conditions of participation (technical ability).

To express an interest in tendering for the framework please contact frameworks@procure-plus.com , providing the name of the key contact for your organisation and the company name. Companies who express an interest will be sent the link to register for the tender when the Tender Notice is published.

Suppliers are advised that this preliminary market engagement notice, and any expression of interest in receiving information about the procurement pursuant to this notice is not an invitation to participate in a competitive procurement process.
