Description

Woodcote High School part of The Collegiate Trust, is a secondary school with academy status located in the London Borough of Croydon, UK. It is a coeducational school with nearly 1300 students.

The school is converting an existing classroom to a fully fitted food tech room and are tendering for a suitable partner to deliver a turnkey project for completion by the 31st of august 2025. Proposals should include all component parts, installation and final commissioning with handover certification following testing. Due to the nature of the school and timetables, installation must to take place during the summer recess from the 21st of July 2025 and must be completed by the 31st of August 2025.

The contract will be awarded to the supplier who can demonstrate substantial experience in successful conversion projects and provide a comprehensive project plan detailing

phased execution over several weeks with a fixed cost budget for the project. The ability to complete the project within the defined timescale is mandatory.
