Description

Woodcote High School, part of The Collegiate Trust, is a secondary school with academy status located in the London Borough of Croydon, UK. It is a coeducational school with nearly 1300 students.

The school requires over 30 FD30 compliant Fire Doors and fittings to be installed, along with some remedial repairs to various door fittings and furniture across the school complex. Proposals should include all component parts, installation and final commissioning with handover certification following testing. Due to the nature of the school, installation must take place during the summer recess between the 21st of July and 31st of August 2025.

The contract will be awarded to the supplier who can demonstrate substantial experience in the successful delivery of similar projects and provide a comprehensive project plan detailing phased execution over several weeks. The ability to complete the projected

within the defined timescale is mandatory.
