Tenders or requests to participate must be submitted to the above-mentioned address

I.4) Type of the contracting authority

Body governed by public law

I.5) Main activity

Education

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

WP2: CNC Machine Tools

Reference number

EW/UoP/WP2_CNCMachine/017/022

II.1.2) Main CPV code

- 42621100 - CNC lathe

II.1.3) Type of contract

Supplies

II.1.4) Short description

The University of Plymouth is looking to reinforce its reputation as an innovative centre of excellence for engineering research, teaching and learning. The new Engineering and Design facility (NEDF) being constructed on the western edge of the main Plymouth campus will provide a new home for the specialist laboratories and teaching facilities of the School of Engineering, Computing and Mathematics and the School of Art, Design and Architecture. NEDF integrates a fully refurbished Babbage Building with a new-build, wrap-around area to create more than 10,000m² of research laboratories and teaching spaces. New, state-of-the-art resources are planned that will enable engineering teaching and research to underpin the fourth industrial revolution and complement existing equipment.

II.1.5) Estimated total value

Value excluding VAT: £180,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 42621100 - CNC lathe
- 42600000 - Machine tools

II.2.3) Place of performance

NUTS codes

- UKK41 - Plymouth

II.2.4) Description of the procurement

The University of Plymouth is looking to reinforce its reputation as an innovative centre of excellence for engineering research, teaching and learning. The new Engineering and Design facility (NEDF) being constructed on the western edge of the main Plymouth campus will provide a new home for the specialist laboratories and teaching facilities of the School of Engineering, Computing and Mathematics and the School of Art, Design and Architecture. NEDF integrates a fully refurbished Babbage Building with a new-build, wrap-around area to create more than 10,000m² of research laboratories and teaching spaces. New, state-of-the-art resources are planned that will enable engineering teaching and research to underpin the fourth industrial revolution and complement existing equipment. The new building and its physical resources will inspire the development of new inter-disciplinary activities in teaching, learning and research, and nurture the innovative graduate engineers demanded by future society. The objective here is to create a new CNC machining facility that will be operated by our team of highly-skilled engineering technicians. To this end, we wish to install a CNC lathe and CNC mill with tool room precision capabilities that are fully integrated with industry standard CAD/CAM software tools. The tables below outline the principal requirements for these machine tools.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £180,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start date

19 September 2022

End date

31 December 2023

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Open procedure

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.2) Time limit for receipt of tenders or requests to participate

Date

24 August 2022

Local time

12:00pm

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

IV.2.7) Conditions for opening of tenders

Date

24 August 2022

Local time

12:05pm

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.4) Procedures for review

VI.4.1) Review body
