### **Scope**

### **Reference**

P/REF 00000403

### **Description**

Historic England has a commitment to supporting heritage organisations on their journeys to Net Zero. To support this initiative, Historic England wishes to roll out Carbon Reduction Training to organisations in the heritage sector. The training includes two different courses: Heritage Carbon Bookkeeping and Heritage Carbon Reduction Planning.

Historic England seeks to create a framework, that we anticipate will include 4 trainers for the delivery of this training over a two-year period. Courses will be spread equally across trainers on the framework based on availability and discussion via email.
