Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

The equipment represents components within an already installed infrastructure which have reached end of life independently of the over-arching infrastructure, therefore for reasons of interoperability and compatibility no other supplier can provide compatible individual equipment components that integrate with the over-arching solution other than the original equipment manufacturer.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
