II.2.4) Description of the procurement

The Contracting Authority is seeking to appoint a Contractor to provide Periodic Servicing and Inspections, Routine and Responsive Maintenance, Out of Hours Emergency Callouts, and Void Property/change of occupier Works integrated to the fire safety and life support services to the 2,058 dwellings located in 8 retirement villages and 1 housing scheme estate and schemes located in Birmingham, Warwickshire and Gloucestershire together with any comparable services required to its head office based near Coventry. Details of the retirement villages and housing schemes including available plans are provided in the procurement documentation. The Contracting Authority reserves the right to add additional villages and housing schemes and estates requiring similar services throughout the duration of the Contract subject to the terms of Regulation 72 of the Public

Contract Regulations 2015 (as amended). Retirement villages and housing schemes may be added or deleted both prior to award of contract and during the contract period in accordance with the Trust's development and acquisitions/disposal programme.

The Contractor must be able to show a commitment to providing effective services that provide value for money. The proposed initial contract period will be 60 months commencing on or about the 1st April 2023, all subject to provisions for earlier termination including break provisions and annual renewals based on meeting and maintaining Key Performance Indicators and with the Contracting Authority having the option to extend for up to a further 60 months.

The Contractor will be required to provide a customer focused service and show commitment to providing effective services that provide value of money to the Contracting Authority and their residents and must be responsive to achieving collaborative working practices, innovation and continuous improvement.

The Contract will be based on the JCT MTC Form of Contract 2016 with amendments and incorporating aspects of the M3 FM Schedule of Rates: Part 4 Version 7.2. documentation.

TUPE may apply to this Contract.

The Contracting Authority cannot guarantee the extent or value of any works that may be awarded to the Contractor.

VI.3) Additional information

All documentation can be downloaded from <https://etenders.rand-associates.co.uk>.

eTenders@Rand is Rand Associates Consultancy Services Ltd's eProcurement portal (the 'Portal') for downloading/submission of the selection questionnaires and the draft procurement documentation and communicating requests for and responses to clarifications.

All requests for procurement documentation, communications and submission of tenders must be made via the Portal, which can be accessed at <https://etenders.randassociates.co.uk>.

After creating an account on eTenders@Rand, users will receive an email with a link to activate their account.

Once activated and logged in, users will need the following code to register for the procurement documentation: EXTRAFM1

Economic operators may seek clarification where they consider any part of the selection questionnaire or any other aspect of this procurement is unclear.

All queries and any clarifications must be communicated using the secure email messaging function within the Portal, but to be received no later than 17:00 on 18.08.2022

This will provide an audit trail of all clarification requests and responses issued.

It will not be possible to respond to any queries received after that stipulated date and time. It is the Economic Operators responsibility to regularly monitor communications raised and

issued through the Portal.

Response to requests for clarification will be communicated by Rand Associates Consultancy Services Ltd to all Economic Operators through the portal secure email messaging system.

When uploading Tender Documentation, Economic Operators must be aware of any speed limitations of their internet connection, system configuration and general web traffic etc., as these may impact on the time taken to complete the transaction. Uploading of submissions must be completed by the deadline closing date and time.

DO NOT wait until too near the closing time on the return date. The closing deadline for uploading completed selection questionnaires is the 25.08.2022 at 15.00

Please note that the Portal will not permit tender submissions to be uploaded after the closing deadline.

Tenders and supporting documentation must be visible to the Contracting Authority and their advisers Rand Associates Consultancy Services Ltd only after the closing deadline. Should Economic Operators have any queries , or experience difficulties with the registration or download/upload system , they should contact the eTenders@Randhelpdesk by email eTenders@rand-associates.co.uk.

The Contracting Authority reserves the right not to award any contracts pursuant to this procurement exercise and/or to abandon this procurement exercise at any time and/or to award a contract for only part of the Works at its sole discretion.

The Contracting Authority shall have no liability whatsoever to any applicant or tenderer as a result of its exercise of that discretion.

For the avoidance of doubt, all costs incurred by any applicant and/or tenderer before signature of any contract shall be incurred entirely at that applicant's /tenderer's risk.

The subject matter of the Contract has been scoped to take into account the priorities of the Contracting Authority relating to economic, social and environmental well being.

These are described in the draft Procurement Documentation.

The Contracting Authority reserves the right to procure similar or identical works outside of the Contract.

A Contract will not be binding until it has been signed and dated by authorised representatives of both parties.

VI.4) Procedures for review

VI.4.1) Review body

High Court of England and Wales

Royal Courts of Justice, The Strand

London

WC2A 2LL

Country

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

The Contracting Authority will incorporate a minimum 10 calendar day standstill period at the point information on the award of the Contracts is communicated to all Economic Operators.

The standstill period provides time for unsuccessful Economic Operators to challenge the award decision before the Contract is entered into. The Public Contract Regulations 2015 (as amended) provide for aggrieved parties who have been harmed or who are at risk of harm by a breach of the Regulations to take action in the High Court of England and Wales.

VI.4.4) Service from which information about the review procedure may be obtained

Cabinet Office

70 Whitehall

London

SW1A 4AS

Country

United Kingdom
