The Advanced Maths Support Programme (AMSP) aims to deliver high quality teacher professional development (CPD) and focused support and enrichment for students and institutions across AS/A level Mathematics, Further Mathematics and Core Maths to improve participation and provision in level 3 mathematics.

Our aim is that every child, no matter what challenges they face, should have access to an excellent education that prepares them for life in the modern world.

DfE Priorities

The Department has outlined the following priority outcomes for delivery:

Providing the best start in life: high-quality early education and childcare to raise standards and help parents to work;

Levelling up education standards: so that children and young people in all areas of the country are prepared with the knowledge, skills and qualifications they need;

Driving economic growth: improve the skills pipeline and support people to work; and

Support for the most disadvantaged and vulnerable: to ensure no one is left behind.

Our post-16 investment opportunities centre on levelling up education standards by driving up the quality of teaching for all and driving economic growth through increasing the number of people with higher-level STEM skills in the employment pipeline.

The new contract beginning on 1st July 2022 will continue to deliver the aims of the AMSP and will run for two years. DfE, at its sole discretion, has an option to extend until 31 July 2025. in multiples of its choice. Any such extension will be subject to the relevant DfE approvals and notifications.
