II.2.4) Description of the procurement

This PIN replaces the previous three stage procurement process initially planned by CCS. The RM6227 (Technology and Management Agent - Food Supply and Delivery Platform), RM6228 (Logistics Processors with associated Consolidation Hub functionality) and RM6131 (Food DPS) opportunities will be closed shortly.

CCS are looking to procure a Food & Drink commercial solution that will:

- Support all food producers (including SMEs) in accessing public sector food opportunities

- Support sustainable food production

- Support the public sector in accessing local food produce at the right price

- Support public sector food buyers in buying better quality, safer, sustainable food that meets The Government Buying Standards for Food

- Support public sector customers in meeting carbon net zero goals

- Build and monitor social value through public sector food procurement

- Support investment in local communities, equality and diversity, reduction in Modern Slavery risks, resource efficiency and environmental sustainability

CCS will not set out a procurement strategy at this stage but will engage with the market to understand what solution will work best.

The final structure of the Food & Drink commercial solution will be confirmed within the Contract Notice.

II.3) Estimated date of publication of contract notice
