II.2.4) Description of the procurement

The Scottish Government intends to procure a contract for the delivery of a new national scheme ("the Scheme") as part of its Heat in Buildings programme. Due to go live in 2023, the Scheme will target support at households which are in fuel poverty or at risk of being in fuel poverty.

The Scottish Government wishes to appoint a Managing Agent for the Scheme. This Managing Agent will be responsible for managing the customer journey from referral onwards – this will include identifying the measures which are suitable for the dwelling, carrying out a technical survey, installing the measures, arranging a post-installation inspection and putting in place a service warranty. The measures installed will include insulation, heating and micro generation measures, with a focus on zero emissions heating systems where this is not detrimental to Scottish Government fuel poverty objectives.

.

0 = Unacceptable. Nil or inadequate response. Fails to demonstrate an ability to meet the requirement

.

1 = Poor. Response is partially relevant but generally poor. The response addresses some elements of the requirement but contains

insufficient/limited detail or explanation to demonstrate how the requirement will be fulfilled.

.

2 = Acceptable. Response is relevant and acceptable. The response addresses a broad understanding of the requirement but may lack details on how the requirement will be fulfilled in certain areas.

.

3 = Good. Response is relevant and good. The response is sufficiently detailed to demonstrate a good understanding and provides details on how the requirements will be fulfilled.

.

4 = Excellent. Response is completely relevant and excellent overall. The response is comprehensive, unambiguous and demonstrates a thorough understanding of the requirement and provides details of how the requirement will be met in full.

.

In Technical Award Criteria I1, bidders will be asked to commit to delivering the minimum targets in the Skills Development Plan contained in Annex 1D to Schedule 1 (Section C) during the Initial Term. Bidders who fail to answer “Yes” will not have their tender considered further.

.

In Technical Award Criteria I2, scores shall be calculated as follows:

.

a) An I2 Points Total will be calculated as set out in the I2 spreadsheet, which bidders are to complete.

.

b) The highest I2 Points Total will be awarded 100% of the marks available. The I2 score for the remaining bidders will be determined by allocating a mark for each bidder' I2 Points Total relative to the highest I2 Points Total using formula: (Tenderers' I2 Points Total / Highest I2 Points Total).

.

Bidders must confirm they will pay staff involved in contract delivery at least the real Living Wage. Bidders who fail to answer “Yes” will not have their tender considered further.

Bidders must confirm they will include the standard clause in all sub contracts ensuring payment of sub-contractors at all stages of the supply chain within 30 days and include a point of contact for payment difficulties. Bidders who fail to answer “Yes” or “N/A” to this question will not have their tender considered further.
