6 Components parts used in the manufacture of Type II R Masks

7 Components parts used in the manufacture of Lip-Reading Masks

8 Component parts used in the manufacture of FFP3 Facemasks

Tenderers may tender for one or more individual component(s) within any lot and

appointment to the Framework Agreement will be made on a component by component basis only.

Tenders will be evaluated as follows:

Selection Questionnaire

Quality Evaluation

Commercial evaluation

Each tender will be evaluated based on the most economically advantageous tender (MEAT) based on the following:

Quality 60% and Price 40%

All components will be evaluated individually in accordance with the above criteria.

To be successful in gaining a place on the Framework Agreement, a combined minimum Quality/Cost score of 60% must be achieved against each component bid for, subject to passing all stages of the evaluation process.

The Contracting Authority makes no guarantee as to the volumes of business or any business on offer and any figures / quantities / volumes stated are indicative and there for guidance only for costing purposes.

Call Offs for Goods/Services under the framework will be made either via a direct award or a further competition depending on the requirement and the scope of the services, and solely at the discretion of the Contracting Authority.

Further information in relation to call off criteria can be found within Schedule 7 of the Call-Off Terms and Conditions.

Further details of the Contracting Authority's requirements under the Contract and other relevant information are detailed in the Specification at Schedule 2.
