VII.2) Other additional information

This notice is published in order to update (and to rectify) the previous prior information notice related to the West Coast Partnership Direct Award, which was published on the contracting authority's website on 31 March 2021. That previous notice had envisaged that the start date of the Direct Award would be 1 April 2022.

The start date of the Direct Award is now envisaged to be 16 October 2022.

The envisaged duration of the Direct Award remains as described in the previous notice: up to 10 years in total, which may be made up of a core term and one or more optional periods with the option(s) exercisable by the Secretary of State for Transport.

It is currently anticipated that the grant of any Direct Award as envisaged in this notice will follow on from the expiry of the franchise agreement entered into by the Secretary of State and First Trenitalia West Coast Rail Limited on 28 August 2019 (the "Franchise Agreement"), as varied by the Emergency Recovery Measures Agreement ("ERMA") entered into by the parties on 19 September 2020.

The expiry date of the ERMA, which was entered into in compliance with Article 5(5) of Regulation 1370/2007, and of the underlying Franchise Agreement, is being extended from 1 April 2022 to 16 October 2022 by exercise of the Secretary of State's contractual right to extend.

The contracting authority reserves the right not to proceed with the Direct Award as envisaged or to use an alternative method to procure an operator for the contract
