The contract being tendered is for three years in duration from 1 August 2022 until 31 July 2025, there will be the option to extend the contract for a further period of three years on a 1 + 1 + 1 basis on the same terms and conditions excluding the right to further extend beyond six years in duration.

The contract being offered and will be guaranteed performance in nature.

The tender project is seeking to appoint a Contractor whose initiative and innovation will be welcomed for the provision of all catering services within the Trust. The high-quality service levels proposed, should maintain excellent standards throughout, resulting in a new food service offer with consistent high standards of food operations across all Schools.

These new standards of operation should meet the needs of the pupils in both the Pre

School, Primary and Secondary Schools moving forwards into this contract term, recognising that different food offers and menus will be required for each sector. It is our aim to enhance the use of local suppliers for all fresh foods which should include, fruit and vegetables, dairy products, eggs, meat and bakery products. The current range of foods needs to be expanded. Regular customer engagement will be required to ensure this is the case moving into the contract term.

The contract will operate on guaranteed cost or surplus per year for each school with all universal free school meals, free school meals and hospitality being charged based on consumption and at net food cost.

The approximate cost of the contract per annum is £500,000.00 plus VAT (please note that this was for 2020/2021 which wasn't necessarily a representative year).

The Trust is expected to grow in the number of schools during this contract period, and the provision of catering services within these schools when they have joined the Trust will fall under the scope of this contract. The successful contractor will be expected to provide this service within these additional schools using the same costing model, ratios etc. that they applied to their successful tender submission for The Trust at the point of tender submission. The duration of contract for these schools will not be increased and they will join the contract for the remaining contract period that exists at the point of entry into the Trust.

Please note: Further schools may be added to the contract during the tender process and during the life of the contract as detailed above.

Please see the SQ document for more information.
