II.2.4) Description of the procurement

Portsmouth Water is seeking to undertake the implementation and hosting of a replacement CRM and billing system. This will revolutionise our relationship with our customers, providing the capability to present insightful data to customers and deliver superior service levels. Most importantly, the delivery of the new CRM system capable of leveraging smart metering capabilities, is a critical enabler for realising the benefits of rolling out smart metering in Portsmouth Water's supply area. The increased data and analytics that the smart programme will deliver, including granular customer usage insight, is a crucial component in engaging our customer base to reduce demand and achieve our water savings.
