Scope

Description

The Crown Estate is conducting a Pre-Market Engagement (PME) Supplier Day to inform the development of a Consultancy Capital Projects Framework.

The engagement aims to:

- Communicate the framework objectives, scope, and strategic priorities
- Understand market capability, capacity and innovate delivery approaches
- Identify risks, commercial considerations and practical delivery challenges
- Gather views on social value, sustainability and inclusive supply chain participation

The proposed framework will provide consultancy services to support capital projects including (but not limited to):

- Project Managers, Commercial & Residential Portfolios
- Architecture, Commercial & Residential Portfolios
- Design and Engineering; Civil / Structural Engineering, MEP Engineering, Fire Engineering, Sustainability, Acoustics and Lighting
- Other Consultants; Cost Consultant, Building Control and Specialist Surveys.

This framework will operate across multiple organisational units, sectors and geographical locations.

The information contained in this Notice is provided for early market engagement only and does not constitute a commitment by the Contracting Authority to undertake a procurement or to proceed as described. The Contracting Authority reserves the right to revise its proposed approach, including (but not limited to) the scope, structure and lotting strategy, as well as any indicative dates referenced in this Notice. All aspects of any future procurement may be subject to change following market feedback and further internal considerations. Participation in any engagement activity shall not confer any advantage or create any expectation of involvement in any subsequent competition.
