II.2.4) Description of the procurement

The Council would like to gain an understanding of the potential level of interest within the private sector to provide this service in Brent. It would also like to specifically engage around its proposed procurement route, its intended service scope, and how service providers can assist the Council in delivering against its Green Infrastructure ambitions and its Climate & Ecological Emergency Strategy objectives for Brent.

The engagement is intended to raise awareness of the Council's requirements for the service, to help in the development of tender documentation and to provide an opportunity

for service providers to contribute to the design of future service delivery.

We would welcome expressions of interest from service providers interested in meeting with the Council between 20 September and 1 October (dates for an online meeting to be agreed through correspondence between the Council and individual providers).

Please note that this notice does not commit the Council to any future competition or award. Participation in this soft market engagement will not prejudice suppliers participating in any future procurement.

Service providers interested in attending an online meeting with the Council on these topics must register their interest by submitting a completed 'expression of interest' form using the messaging system of the online portal no later than 12:00pm (Noon) on Friday 17 September. Providers are also asked to complete the questionnaire attached with the form and to submit through the portal by the same deadline.
