The purpose of this PIN and pre tender market engagement paper (CfT reference 4916122) is to engage with and receive feedback from the market by outlining the Trust’s proposals for the delivery of rapid response domiciliary care services in the Trust area including the proposed model and key elements of the service, and its procurement plans and requirements. Potential providers are asked to submit their responses to the questionnaire on eTendersNI via the messaging area under CfT reference 4916122 by 15:00 on 14 August 2023. Any interest shown in the pre tender market engagement does not constitute a commitment to participate in a procurement exercise.
