Purchase of Seprol S2000 oustations

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

We are going to be re-tendering a new outstations framework shortly so in the meantime we need to purchase this equipment to maintain flood resilience. This model is fully WITS DNP3 enabled over 4G communications and is currently the only device that is known to meet our requirements for type 4 - our highest specification outstation for MEICA and more complex telemetry assets with our EA telemetry network.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section V. Award of contract/concession

A contract/lot is awarded: Yes

V.2) Award of contract/concession
