II.1.4) Short description

7. Short description of requirement

The client requires a compliant DPS Framework to deliver a wide variety of Rural Support services and engage with suppliers in an evolving sector. To support the priorities the most suitable solution is the creation of the Rural Support Dynamic Purchasing System. The DPS will be accessible for 4 years with supplier applications being accepted throughout its duration. It is expected that the DPS will be established around the end of September 2024, and call-off contracts will begin via mini-competition shortly after.

Acknowledging the breadth of work that the Welsh Government procures from the rural sector, 3 categories have been identified to meet our requirements:

Category 1 – Rural Support Programme and Project Support Services (including grant support services)

Category 2 – Rural Support Advice and Technical Services

Category 3 – Rural Support Engagement Services

Specialist areas where these support services may be required include, but are not limited to:

- Rural Communities

- Agricultural production
- Sustainable land management
- Nutrient management and soils
- Carbon Assessment
- Agricultural diversification
- Woodland and forestry
- Horticulture production
- Animal health and welfare
- Food and rural supply chains
- Innovation and technology
- Natural resources added value supply chains
