## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

Development of Acute Liaison Role

Reference number

C97650

#### **II.1.2) Main CPV code**

- 80000000 - Education and training services

#### **II.1.3) Type of contract**

Services

#### **II.1.4) Short description**

The scope of this contract will be to develop a toolkit and a training package which together will ensure that there is a national consistency of approach to the implementation of liaison services across England.

This toolkit should also contain evidence of best practice examples showing case studies of the role and the outcomes for people with learning disabilities and their families.

Furthermore, we would expect this work to complement the associated tender to commission the 'Green Light Toolkit' Initiative.

The toolkit and training package should be linked to the nearly completed work by the Tavistock and Portman National Workforce Skills Development Unit (NWSDU) to create nationally consistent training for nurses and nursing associates working in this area of learning disability and autism.

Service users must be involved in the coproduction of all components of this work.

#### **II.1.5) Estimated total value**

Value excluding VAT: £150,000

#### **II.1.6) Information about lots**

This contract is divided into lots: No

### **II.2.4) Description of the procurement**

The scope of this contract will be to develop a toolkit and a training package which together will ensure that there is a national consistency of approach to the implementation of liaison services across England.

This toolkit should also contain evidence of best practice examples showing case studies of the role and the outcomes for people with learning disabilities and their families.

Furthermore, we would expect this work to complement the associated tender to commission the 'Green Light Toolkit' Initiative.

The toolkit and training package should be linked to the nearly completed work by the Tavistock and Portman National Workforce Skills Development Unit (NWSDU) to create nationally consistent training for nurses and nursing associates working in this area of learning disability and autism.

Service users must be involved in the coproduction of all components of this work.

Whilst these services are mainly offered within the NHS, we are aware that it is an expanding role that is moving into voluntary and charitable sectors. Therefore we would welcome collaborative bids from NHS HEI and also non NHS colleagues such as voluntary, charitable and CIC colleagues.

### **II.2.5) Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents
