Country

United Kingdom

NUTS code

UKC - North East (England)

Internet address(es)

Main address

www.nepo.org

I.2) Information about joint procurement

The contract is awarded by a central purchasing body

I.3) Communication

The procurement documents are available for unrestricted and full direct access, free of charge, at

www.nepo.org

Additional information can be obtained from the above-mentioned address

I.4) Type of the contracting authority

Regional or local authority

I.5) Main activity

General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

NEPO232 Electric Vehicle Charging Infrastructure

Reference number

NEPO232

II.1.2) Main CPV code

- 51110000 - Installation services of electrical equipment

II.1.3) Type of contract

Services

II.1.4) Short description

The Association of North East Councils T/A NEPO seeks to establish a sole supplier concession contract agreement for the provision of the investment, operation, maintenance and growth of the Electric Vehicle Charging Infrastructure (EVCI) across the North East of England. This is a brand new collaborative procurement requirement which will initially focus on a limited number of geographical areas but the intention over the full contract period is to allow other North East based contracting authorities to participate in the agreement.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 50000000 - Repair and maintenance services

II.2.3) Place of performance

NUTS codes

- UKC - North East (England)

II.2.4) Description of the procurement

NEPO is looking to put in place a concession contract to enable the long-term investment in the regional electric vehicle charging infrastructure (EVCI). This investment is needed to upgrade, operate and maintain the current network and to resource its expansion in order to secure a sustainable long-term future for it. NEPO and its Member Authorities recognise the importance of the regional EVCI in securing economic and community health benefits alongside supporting the growth in the adoption of electric vehicles and the achievement of targets for the decarbonisation of transport.

NEPO and its Member Authorities intend to deliver a procurement solution which will deliver the following outcomes.

- To establish a relationship with a sole supplier to work with NEPO and its stakeholders to deliver the investment needed to develop, grow and sustain the region's EV charging infrastructure for the long-term.
- To have a supply partner capable of delivering within the context of mixed network baseline positions, various funding models and across a diversity of locations and stakeholders from local authorities to other public sector service bodies.
- To help reduce and minimise the proliferation of different charging infrastructure and associated payment systems in order to improve electric vehicle customers' experience.
- Through the accumulation of the above help NEPO and its Member Authorities to achieve and maximise the economic, health and environmental benefits that can be delivered.
- To maximise commercial opportunities in order to support the ongoing maintenance and growth of the EVCI to keep pace with the predicted growth in use of electric vehicles.

The initial requirement will be focused on the needs of four (4) local authority areas and a separate public body stakeholder with further detail to be included in the published tender. The full term of the contract period is still to be determined but will be a minimum of 10 years.

The purpose of the prior information notice (PIN) is to provide advance notice to the market place for the future opportunity and the intention to hold a market consultation meeting with suppliers to help shape the future agreement. NEPO are not issuing this PIN as a mechanism to reduce future procurement timescales.

The intention is to the market consultation event on the afternoon of the 28th September. Further details on this and how to register interest in participation will be issued via the NEPO Portal and any supplier want to be involved should ensure they are signed up to the

portal via <https://www.nepo.org/suppliers/portal>. Attendance at the market consultation is optional and does not provide suppliers with an advantage in any future related procurement. Attendance also does not constitute as an intention to tender for any future related procurement. Please note the above date may be subject to change and is provided for purposes of early notification.

II.3) Estimated date of publication of contract notice

12 November 2021

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information

VI.3) Additional information

NEPO is a Central Purchasing Body as defined in the Public Contract Regulations 2015 (PCR15). This means that NEPO may provide central purchasing activity on behalf of Contracting Authorities.

The agreement will be available for use by all NEPO Members within the North East region. A list of member organisations is available in the About section of the NEPO website at: www.nepo.org

This agreement will also be made available to all current and future NEPO Associate Members throughout the North East region. Current Associate Members are listed in the Associate Member section of the NEPO website at: www.nepo.org/associate-membership/list

NEPO intends to make the resulting agreement available for use by all Contracting Authorities throughout the North East region (as defined by the Public Contracts Regulations 2015) including but not limited to Government Departments and their Agencies, Non-Departmental Public Bodies, Central Government, NHS Bodies, Local Authorities, Emergency Services, Coastguard Emergency Services, Educational Establishments,

Registered Social Landlords and Registered Charities who have a need to purchase the above services.
