Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated procedure without publication of a contract notice

- No tenders or no suitable tenders/requests to participate in response to negotiated procedure with prior publication of a contract notice
- The products involved are manufactured purely for the purpose of research, experiment, study or development
- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

It is considered that this contract can be awarded using the negotiated procedure without prior publication of a contract notice, pursuant to Regulation 16(1)(a)(ii) of the UK Defence and Security Public Contract Regulations 2011 for Technical Reasons. Summary of the Technical Reason: Ametek GB Ltd T/A Advanced Measurement Technology are currently the only supplier who can provide the continued in-service support of The Gamma Spectroscopy Systems.
