I.6) Main activity

Water

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Temporary Chemical Dosing

Reference number

SW20/CSD/1330

II.1.2) Main CPV code

- 42993200 - Dosing plant

II.1.3) Type of contract

Supplies

II.1.4) Short description

Scottish Water requires a supplier to provide temporary chemical dosing plant and associated services on a pan-Scotland basis. The supplier must be able to supply over 100 sites that currently utilise temporary and seasonal dosing and respond to new requirements as they arise.

The successful supplier will provide, including but not limited to, the following goods and services:

-Delivery, offload, setup, operation, maintenance as required, and uplift of temporary chemical dosing equipment

-Technical advice for suitable solutions and applications for chemistry as required

-Delivery of chemicals into the temporary dosing equipment. This can be the supplier's own chemical supply or chemical supply from the SW framework partner.

-Provision of the above on a reactive basis to SW Operations, with a secondary, smaller requirement to supply to SW Capital Investment for planned work.

II.1.5) Estimated total value

Value excluding VAT: £24,000,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 42993200 - Dosing plant

II.2.3) Place of performance

NUTS codes

- UKM - Scotland

Main site or place of performance

SCOTLAND

II.2.4) Description of the procurement

Scottish Water requires a supplier to provide a temporary chemical dosing plant and associated services on a pan-Scotland basis. The supplier must be able to supply over 100 sites that currently utilise temporary and seasonal dosing and respond to new requirements as they arise.

The successful supplier will provide the following goods and services:

-Delivery, offload, setup, operation, maintenance as required, and uplift of temporary chemical dosing equipment

-Technical advice for suitable solutions and applications for chemistry as required

-Delivery of chemicals into the temporary dosing equipment. This can be the supplier's own chemical supply or chemical supply from the SW framework partner.

-Provision of the above on a reactive basis to SW Operations, with a secondary, smaller requirement to supply to SW Capital Investment for planned work.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £24,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

96

This contract is subject to renewal

Yes

Description of renewals

6 year initial contract term with 2 optional 1 year extensions.

II.2.9) Information about the limits on the number of candidates to be invited

Envisaged minimum number: 3

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

The ITN document can be accessed by logging in through the Scottish Water Delta e-Sourcing webpage <https://scottishwater.delta-esourcing.com/> and through the Response Manager section using the following Access Code: V9MM4H79M7

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

Minimum level(s) of standards possibly required

Applicants will be expected to be of sufficient financial and economic standing to support the anticipated contract value. All applicants must complete the financial questions within the pre-qualification questionnaire and tender documents. Financial standing relevant to the anticipated contract value will be determined by Scottish Water based on the response to the pre-qualification questionnaire and any further financial checks deemed necessary

III.1.3) Technical and professional ability

Selection criteria as stated in the procurement documents

III.1.6) Deposits and guarantees required

Scottish Water reserves the right to require deposits, guarantees, bonds or other forms of appropriate security

III.1.7) Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

All prices quoted shall be in Sterling (UK) and all payments shall be made in Sterling (UK). Payment shall be made on the basis of completed services in accordance with the agreed contract rates, schedules and conditions of contract

III.1.8) Legal form to be taken by the group of economic operators to whom the contract is to be awarded

In the event of a group of companies submitting an accepted offer it will be necessary for each member of the group to sign an undertaking that each company in the group will be jointly and severally liable for the satisfactory performance of the contract

III.2) Conditions related to the contract

III.2.2) Contract performance conditions

Bidders must comply with modern slavery act and operate an ethical supply chain

III.2.3) Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated procedure with prior call for competition

IV.1.3) Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

Framework agreement with several operators

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.2) Time limit for receipt of tenders or requests to participate

Date

1 October 2021

Local time

12:00pm

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.2) Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

VI.3) Additional information

Scottish Water will not accept the SPD. We will only accept a completed Scottish Water PQQ document. This Notice does not preclude Scottish Water from issuing other notices for specific requirements. Responses to the FTS Notice will be evaluated and only successful applicants following PQQ evaluation will be invited to submit a tender. Scottish Water reserves the right to divide the scope of the contract into lots at tender and contract award stages as it deems appropriate. Applicants who fail to supply all of the information requested in response to this Notice or any resulting tender exercise may risk elimination
