Body governed by public law

## I.5) Main activity

Other activity

Research

# **Section II: Object**

## II.1) Scope of the procurement

#### II.1.1) Title

UKRI-4014 Building Energy Management System (BEMS) Maintenance, Inspection and Testing Contract

Reference number

**UKRI-4014** 

#### II.1.2) Main CPV code

• 71314200 - Energy-management services

#### II.1.3) Type of contract

Services

#### II.1.4) Short description

Estates Property Services provides valuable support to the front-line, scientific activities of the STFC. This support is wide ranging, from the provision of suitable sites, buildings, workplaces and information and communications technology connectivity, through to an exceptionally wide range of business and staff support services. There is an existing, established in-house maintenance and design team that operate and maintain much of the establishment's Building Services, Plant and Equipment. This requirement is for a Supplier to work alongside the in-house team, providing a maintenance and asset replacement service to the assets defined within the documents schedules and in future developments across the RAL estate. The Supplier is to work in Partnership with the Estates Property Services team to ensure business continuity through robust maintenance and testing of the Building Energy Management Systems. The BEMS system not only manage HVAC plant and equipment within typical office facilities but, also control environments within laboratory facilities including cleanrooms, assembly areas, satellite testing and assembly, laser facilities etc. Some of these areas have critical environments i.e. filtration, humidity etc. These conditions can be subjected to an ISO accreditation signed off by the client. The supplier is to provide the appropriate resource to comply with the service levels within the specification.

The BEMS systems also interface with other controllers and Data Managers which provide energy data from the buildings metering and site infrastructure.

#### II.1.5) Estimated total value

Value excluding VAT: £1,350,000

#### II.1.6) Information about lots

This contract is divided into lots: No

### II.2) Description

#### II.2.3) Place of performance

**NUTS** codes

• UKJ14 - Oxfordshire

Main site or place of performance

Oxfordshire

#### II.2.4) Description of the procurement
