Education

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Analytics & KPI Tools with Measurement, Monitoring & Data Layer

II.1.2) Main CPV code

- 48000000 - Software package and information systems

II.1.3) Type of contract

Supplies

II.1.4) Short description

The University's Smart Internet Lab is looking for a solution to provide analytics and KPI tools based on measurements, monitoring, and data exchange capability from various technologies. The requirement of interest has open API interfaces between its layers. This requirement exchanges data with a set of research facilities focusing on different technologies with vendor specific APIs.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 72000000 - IT services: consulting, software development, Internet and support

II.2.3) Place of performance

NUTS codes

- UKK11 - Bristol, City of

II.2.4) Description of the procurement

This is an early engagement notice; requirements and approach to market have not been fully refined. The requirement is predominantly the provision of goods, with potential for some limited integration service.

II.3) Estimated date of publication of contract notice

1 September 2022

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section VI. Complementary information

VI.3) Additional information

The University is seeking to meet with suppliers as part of a Market Engagement event on the 4th of August with all interested suppliers, and also gather feedback outside of this date.

Any interested suppliers should register their interest on the University's e-procurement portal (<https://tenders.bris.ac.uk/web/login.html>).

Once registered, suppliers should access project 'itt_1094' to register their organisation's interest for the market engagement event. All further information and communication with interested parties will be sent under this project event.
