II.1.4) Short description

Rail Safety and Standards (RSSB) seeks to procure the best expertise available within the marketplace that offer specialist technical IT Consultancy services. Our IT programme and projects require general and specialist technical consultancy support. RSSB recognises that it cannot entirely internally satisfy its future demand for suitably experienced specialist and professionally qualified experts and as a result is seeking to procure these through the IT Consultancy Framework. Potential providers are hereby invited to tender for these Services. Revised deadline for submitting tenders is 4 pm - 12 August 2022.
