Environment

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Services to Implement Activities for a Viet Nam Centre of Excellence for Offshore Wind

Reference number

prj_1946

II.1.2) Main CPV code

- 75211200 - Foreign economic-aid-related services

II.1.3) Type of contract

Services

II.1.4) Short description

This opportunity is for the appointment of a project partner to deliver an implementation phase for a Viet Nam Centre of Excellence for Offshore Wind.

Following the success of the initial scoping exercise for a delivered earlier this year, this funding will deliver the next phase of the project. Building on the collaborative partnerships established in the first phase, the delivery partner will be expected to develop international and local partnerships further, as well as identifying (and securing) a sustainable option for the longevity of the CoE. This will include activities such as: (a) developing a proposal for implementation; (b) finalising/securing project owners and managers; and (c) delivering an initial core set of activities in support of objectives laid out in the scoping study for capacity building, RD&D and skills & training.

II.1.5) Estimated total value

Value excluding VAT: £390,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 76520000 - Offshore services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

This opportunity is for the appointment of a project partner to deliver an implementation phase for a Viet Nam Centre of Excellence for Offshore Wind.

Following the success of the initial scoping exercise for a delivered earlier this year, this funding will deliver the next phase of the project. Building on the collaborative partnerships established in the first phase, the delivery partner will be expected to develop international and local partnerships further, as well as identifying (and securing) a sustainable option for the longevity of the CoE. This will include activities such as: (a) developing a proposal for implementation; (b) finalising/securing project owners and managers; and (c) delivering an initial core set of activities in support of objectives laid out in the scoping study for capacity building, RD&D and skills & training.

The exact scope of the implementation phase is to be determined by the supplier in partnership with the international community within Viet Nam and outside, as well as HMG, whilst providing value for money

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start date

18 September 2023

This contract is subject to renewal

Yes

Description of renewals

The initial contract will be let for the full initial term with a formal review point at the end of initial implementation phase planning and pre final report. This Contract may be extended beyond the initial term by up to 12 months and £200,000 (exclusive of UK VAT but

inclusive of any overseas VAT and taxes) in value, full circumstances detailed in ITT.

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

The initial contract term is 6 months and £190,000 in value. This contract may be extended beyond the initial term by up to 24 months and £200,000 (exclusive of UK VAT but inclusive of any overseas VAT and taxes) in value. Take-up of any extension period is subject to the Authority's approval and the continuing needs of the Contract. Further detail can be found within the ITT documents.
