Description

Hackney Council plan to tender for a social care framework. A social care framework is usually a large contract in the care sector, open to more than one supplier. They're often split into smaller, more manageable categories called lots - another term for services. Hackney Council is about to undertake a procurement process to identify and appoint a number of service providers to join the Framework. This social care framework will provide a range of adult social care services, and is split into the following 3 lots:

Lot 1: Supported Living

Lot 2: Residential (Working age & 65+)

Lot 3: Fixed Term Care Contracts

Please note this framework will open annually. A Procurement Notice will be issued

annually for each opening.

Please note you need to complete the PSQ and associated questions in full.

You are required to complete the Mandatory Site Information form (via Google Form) for each site.

Lot 1 & 2 - Framework Call Off via eBrokerage / Marketplace system
