Section II: Object

II.1) Scope of the procurement

II.1.1) Title

TfL Surface Transport – Stops and Shelters Supply, Install & Repair contracts.

Reference number

DN624621

II.1.2) Main CPV code

- 50800000 - Miscellaneous repair and maintenance services

II.1.3) Type of contract

Services

II.1.4) Short description

Transport for London (TfL) Surface Transport currently has in place contracts for supply, installation and maintenance services for bus stops, poster frames and other associated onstreet infrastructure, expiring 31 December 2023.

The main purpose of this Prior Information Notice (PIN) is to notify the market of a forthcoming opportunity and advise of an upcoming Industry Day in relation to a new tendering opportunity in relation to bus stops and shelters supply, install and repair activities.

The contract subject to this PIN will be formed of two lots split by geographical area. Suppliers may bid for both lots but can be awarded a maximum of one lot.

A subsequent PIN in relation to a separate tendering opportunity for bus stops and shelters (cleaning including publicity posting), which may include, but will not be limited to cyclic cleaning, publicity posting and graffiti removal, is likely to be published in October 2022.

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

Maximum number of lots that may be awarded to one tenderer: 1

II.2) Description

II.2.1) Title

North and Central London Area

Lot No

1

II.2.2) Additional CPV code(s)

- 34000000 - Transport equipment and auxiliary products to transportation
- 44212321 - Bus shelters
- 45000000 - Construction work
- 45213315 - Bus-stop shelter construction work
- 45223110 - Installation of metal structures
- 45233000 - Construction, foundation and surface works for highways, roads
- 45311200 - Electrical fitting work
- 45442121 - Painting work of structures
- 50230000 - Repair, maintenance and associated services related to roads and other equipment
- 50800000 - Miscellaneous repair and maintenance services

II.2.3) Place of performance

NUTS codes

- UKI - London

II.2.4) Description of the procurement

The requirements of the new contract(s) which are subject to this PIN may include, but will not be limited to:

- Supply and installation of new bus shelters, bus stops, and advertising units.
- Removal, relocation and modification to existing bus stops and shelters.

- Maintenance of bus stops and shelters.
- Painting of bus shelters and other ancillary equipment.
- General design services.
- Production of manufacturing drawings and structural calculations.
- Use of TfL systems, including viewing asset information and associated records, creation/updating of maintenance orders, creation/pricing/completion of works orders, recording of safety incidents and near misses and other standing data updates as specified by TfL.
- Provision of electrical test/inspection certificates, electrical connections, disconnections and transfers.

TfL will hold an Industry Day relating to this contract in mid August 2022. Further details will be provided to all parties who express an interest by 8 August 2022 via TfL's ProContract procurement portal: <https://procontract.due-north.com/Register>.

The aim of this Industry Day is to provide suppliers with further details relating to TfL's objectives, intended procurement and delivery model, and answer initial questions surrounding the contracts' requirements. The Industry Day will be held virtually and will be recorded and made available for those who cannot attend.

TfL will manage the process in an open and transparent manner, therefore participation or non-participation in this Industry Day will not disadvantage or affect any supplier's ability to participate in any future procurement process that may be initiated.

Suppliers wishing to attend the Industry Day are invited to register their interest via ProContract. In registering their interest, suppliers should confirm their full company name, the company registration number and provide a single point of contact.

This PIN does not formally signify the beginning of a procurement process and does not constitute commitment to undertake a procurement exercise until the Contract Notice is issued.

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

South London Area

Lot No

2

II.2.2) Additional CPV code(s)

- 34000000 - Transport equipment and auxiliary products to transportation
