The Contractor and any sub-Contractors (if relevant) must hold a Public Service Vehicle (PSV) operator's licence and should ensure all relevant legislation and regulations are adhered to in order to maintain their PSV licence throughout the duration of the Contract.

All drivers must have a Certificate of Professional Competence (CPC) qualification and have been Protecting Vulnerable Groups (PVG) checked by the authority prior to commencing duties under this contract.

From 1 July 2025 onwards, it will become a criminal offence for:

- individuals to carry out a regulated role if they are not a member of the PVG scheme

- organisations to offer a regulated role to an individual who is not a member of the PVG scheme

This adds to the existing offences under the PVG Act. It will continue to be an offence for an individual to seek, agree to do or carry out a regulated role if the individual is barred from working with children, protected adults or both. Similarly, organisations must not offer a regulated role to someone who is barred from that type of regulated role.

As it is the responsibility of the employer to process PVG's, all contractors must ensure the full scheme membership of all applicable employees is in place and this is checked against the children's barred list.
