#### Objectives

The appointed Supplier will have significant experience of delivering quality catering services within Primary schools and should have proven expertise of successfully increasing pupil meal uptake across group contracts together with a compelling attitude towards making the lunchtime service appealing, healthy and educational for children.

Coupled with the familiarity and practice of successfully managing a large workforce, the Supplier should ideally have a strong operational base in London and able to leverage sufficient resources to ensure the required level of service is constantly maintained. Within the Consortium there are 2 schools without kitchens (Dining Centres) that have their meals delivered. It will be imperative that bidders are able to provide a solution for these Dining Centres either direct or via the use of a nominated Production Kitchen/s within the Consortium.
