II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

Main site or place of performance

Thames Valley, Hampshire, Isle of Wight

II.2.4) Description of the procurement

Thames Valley Police acting as lead Authority for ACRO who use ECRIS RI (European Criminal Information System Reference Implementation) which is a piece of software that enables EU member states to exchange criminal records via a messaging service. Since BREXIT there is a UK version UKCRIS RI (UK Criminal Information System Reference Implementation) which the EU will work with, with the understanding that the UK would maintain and upgrade the system beyond the version available to us at the time of our exit.

II.2.14) Additional information

Software originally created by an EU company called Tracsis International.

Migrating software upgrade over to Azure with Joint ICT, keep on SaaS. Looking for a provider who is up to speed with Tracsis to maintain and support software or they can develop their own version of the software but would need full maintenance and support.

II.3) Estimated date of publication of contract notice

17 August 2022

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information

VI.3) Additional information

Software development to remake new style of RI software (if needed)

Customer support to provide maintenance and support the customer(s)

Possibility of taking over maintenance and support of existing RI software, a provider who is up to speed to Tracsis International RI software

We anticipate to run an open procurement process depending on the responses received from this PIN. Bidders maybe asked to participate in an engagement exercise.
