This authority will incorporate a minimum 10 calendar day standstill period at the point information on the award of the contract is communicated to tenderers. The communication will be in the form of a letter which will be issued electronically. The letter will provide a full debrief and contact details should a tenderer wish to appeal

the decision. The timescale for appeals will be detailed in the letter. If an appeal regarding the award of a contract has not been successfully resolved the Public Contracts

Regulations 2006 (SI 2006 No 5) provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the

High Court (England, Wales and Northern Ireland). Any such action must be brought promptly (generally within 3 months). Where a contract has not been entered into the court may order the setting aside of the award decision or order the authority to amend any document and may award damages. If the contract has been entered into the court may only award damages.
