Scope of Services:

The framework will encompass a wide range of services related to vending machines, including but not limited to:

Supply of Vending Machines:

Hot beverage vending machines (coffee, tea, hot chocolate)

Cold beverage vending machines (soft drinks, water)

Snack vending machines (crisps, confectionery, healthy snacks)

Combination vending machines (mixed snacks and drinks)

Fresh food vending machines (sandwiches, salads, fresh fruit) (Optional)

Installation and Commissioning:

Delivery and professional installation of vending machines at specified locations

Commissioning services to ensure machines are fully operational and compliant with safety standards

Maintenance and Servicing:

Regular maintenance schedules to ensure optimal performance and longevity of machines

Prompt repair services in case of breakdowns or malfunctions

Preventive maintenance to mitigate potential issues and downtime

Replenishment Services:

Regular restocking of products in vending machines

Inventory management to ensure a consistent supply of popular items

Customisable product selection based on user preferences and dietary requirements

Customer Support and Service:

Dedicated customer support for addressing queries and issues

Training for staff on using and maintaining vending machines

Monitoring and reporting systems to track machine usage and performance

Sustainability and Innovation:

Environmentally friendly vending solutions, including energy-efficient machines and recyclable packaging

Innovative payment options, such as contactless and mobile payments

Integration of smart technologies for real-time monitoring and data analytics
