Norfolk County Council has awarded a contract for toxicology analysis and reports service. The Norfolk Coroner jurisdiction covers a population of 920,000 and has approximately 3000 reported deaths a year. Under the Coroners and Justice Act 2009 (the 2009 Act), the Coroners (Investigation) Regulations 2013 and the Coroners (Inquest Rules) 2013, the Coroner is required to establish the cause of a person's death. If the cause of death is unknown, then the Coroner will instruct a pathologist to conduct an examination to establish the cause of death. As part of that examination the pathologist

may request that samples taken during examination are submitted for toxicological analysis. Norfolk County Council is responsible for meeting all costs of the service and for arranging a toxicology service to support the needs of the Senior Coroner.

#### **VI.4.3) Review procedure**

Precise information on deadline(s) for review procedures

The Public Contracts Regulations 2015 (as amended) provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland). Proceedings must be brought within 30 days from the date of knowledge (the date on which the economic operator first knew or ought to have known that grounds for starting the proceedings had arisen) unless the Court considers that there is good reason for extending the period within which proceedings may be brought, in which case the Court may extend that period up to a maximum of 3 months from the date of knowledge.
