As the contracts are well aligned and in scope for the Council's CYPS 16+ Accommodation and Support FPS , this has now been identified as the Council's preferred route to market.

The intention is therefore to run a further competition via this FPS to procure these contracts.

Organisations who are not appointed to the FPS may apply in line with the latest application round published on YORtender at <https://yortender.eu-supply.com> project reference 48050.

The application download date for next evaluation round is 16/08/2023.

It is the Council's intention to publish the further competition activity via the FPS in September following the completion of the latest application evaluation round.
