Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated procedure without publication of a contract notice

- The products involved are manufactured purely for the purpose of research, experiment, study or development
- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

Salvage and Marine Operations (SALMO), part of the United Kingdom Ministry of Defence, intends to award a contract (711300452) to Forum Energy Technology (UK) Ltd ('FET') for the provision of a Remotely Operated Vehicle (ROV), Spares and In Service Support. The contract has an estimated value of £18M and a duration of 2 years and 9 months.

It is considered that the award of this contract without prior publication of a contract notice in the UK e-notification service (as required by the relevant legislation) is lawful in accordance with Regulation 7(1)(a) of the Defence and Security Public Contract Regulation (DSPCR) 2011 for national security reasons.

SALMO have determined that currently only FET can supply the ROV that fully meets all the Key User Requirements (KUR's) which are: Depth rating and ability to upgrade to threshold; Payload Capacity; Operating System and INS – ability to dynamically position; UK Original Equipment Manufacturer (OEM).
