Lot 1 Residential Rehabilitation for Drug and Alcohol Treatment and Recovery

The Council is seeking providers to join a framework agreement for residential rehabilitation

placements, which will be procured by the Council from a range of service providers as

detailed in the specification under the Light Touch Regime (LTR) using a bespoke framework

procedure.

Bespoke Framework - Lot 1

- Tenderers who meet the selection criteria of a minimum quality score of 40% shall be deemed to be compliant
- The 20 highest scoring compliant Tenderers shall be added to the Bespoke Framework.
- If the number of providers on the Bespoke Framework falls to 15 the Council reserves the

right to reopen the Framework, in line with the process detailed below:

- Following a review of compliant tenderers who met the selection criteria, but were not awarded a place on the framework, the 5 highest scoring compliant tenderers shall be

offered a place on the framework. Subject to no changes to CQC rating and delivery model.

- If the Council does not receive a response to its offer within the timeframe identified, it shall reserve the right to withdraw the offer and offer the place on the framework to the next

highest scoring compliant Tenderers. Subject to no changes to CQC rating and delivery model.

- If, based on the original tender submissions, there are insufficient compliant Tenderers to

meet the numbers required for the framework, the Council shall reopen the Framework to new expressions of interest by issuing an Invitation to Tender. Tenders shall be assessed

using the selection and scoring criteria defined in the original tender documents. The highest scoring compliant Tenderers shall be added onto the Framework, to the maximum number of

providers of 20.

- Should the number of providers fall to 15 at any point in the contract period, the Council reserves the right to repeat the process as detailed above.

The Council recognises that individual providers may use different approaches to deliver services; the specification outlines the minimum quality, care standard and performance management expectations for purchased services for residential rehabilitation.

The framework contract will commence on 01 May 2023 for a period of 3 years to 30 April 2026 with an option to extend for 1 further year.
