Award decision-makers – CTMUHB Dental and Optometry Service Manager & CTMUHB Directorate Manager

This provider has been selected for award of the contract for the service as they satisfactorily meet the basic selection criteria and the key selection criteria that has been identified as part of this Direct Award 2 process.

The award decision-makers' reasons for selecting the chosen provider: the basic criteria was implemented as pass/fail, these criteria were; Ability to provide required activity levels, necessary insurances and Technical and Professional ability. The activity level criteria was assessed by reviewing the providers current activity levels and the staffing model that will be in place for the new agreement. The technical and professional ability was assessed using the providers registration with the GDC and on the Health Boards performers list. The necessary insurances were evidenced following the providers last Quality Assurance Assessment in January 2025 where copies of Employers liability insurance and Autoclave certification and insurance were provided. The Key Criteria, the providers current and likely future performance has been measured against the five key criteria with all being measured by applying a pass/fail metric. The provider has delivered and is likely to continue to deliver:

1. Quality – good quality services.
2. Value - good value in terms of the balance of costs and overall patient benefits.
3. Collaboration and service sustainability –services have been and will continue to be provided in a collaborative and sustainable way which improves the health outcomes of all

treated patients through good quality health services and continuity of health services.

4. Improving access and reducing health inequalities – service delivery via this contract award has and will continue to offer accessibility of services and treatments for all eligible patients.

5. Social responsibility- the service provision has and will continue to improve economic, social, and environmental wellbeing in the delivery of the patient care services.

No providers were excluded from the procurement process;

There were no declared conflicts or potential conflicts of interest of individuals making the decision;

Information that has not been published and is withheld under regulation 23(1) due to commercial sensitivity
