IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information

VI.3) Additional information

Scotland Excel envisages publishing a future tender opportunity on behalf of all 32 local authorities in Scotland, together with any Integration Authority, or other body, established pursuant to the Public Bodies (Joint Working)(Scotland)Act 2014. For more information about Scotland Excel and its members, please see <http://www.scotland-excel.org.uk/>.

This opportunity combines 6 current Scotland Excel materials frameworks into one offering making the process of tendering across our materials frameworks less resource intensive. Where this notice highlights that the framework will be divided into lots, these lots will also be divided into sub-lots and tenderers will have the option of tendering for one, several or all sub-lots. However, please note the final lot structure has not been confirmed, and is subject to change.

Interested parties can find further information on the upcoming framework at the following link:

<https://youtu.be/0kvpKHsmbrQ>

We would also like to invite suppliers to complete a market consultation survey at the following link:

<https://www.smartsurvey.co.uk/s/VSE813/>

Scotland Excel endeavours to implement the most effective framework for both buyers and suppliers and therefore invites suppliers to provide input in relation to the scope and structure of the potential framework.
