Planning

Test facility for the assessment of conducted energy devices

Home Office

F01: Prior information notice

Prior information only

Notice identifier: 2023/S 000-020923

Procurement identifier (OCID): ocds-h6vhtk-03e3c0

Published 20 July 2023, 12:04pm

Section I: Contracting authority

I.1) Name and addresses

Home Office

London

Email

CollaborativeProcurement@homeoffice.gov.uk

Country

United Kingdom

Region code

UKI - London

Internet address(es)

Main address

https://www.gov.uk/government/organisations/home-office?_ga=2.231097823.1504410808.1689848478-1939243999.1660744602

I.3) Communication

Additional information can be obtained from the above-mentioned address

I.4) Type of the contracting authority

Ministry or any other national or federal authority

I.5) Main activity

Public order and safety

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Test facility for the assessment of conducted energy devices

II.1.2) Main CPV code

- 71632000 - Technical testing services

II.1.3) Type of contract

Services

II.1.4) Short description

Police in the UK currently use conducted energy devices (CEDs), specifically various Taser™ models manufactured by Axon. Enterprise Inc. The authorisation of any new CED in the UK requires significant and rigorous independent scientific and technical assessment. This testing ensures all necessary safety standards are met, alongside continued operational reliability when using the device against those who are violent or threaten violence.

The Home Office are exploring options for independent testing of CEDs against specified testing requirements which would potentially be overseen in person by government officials.

II.1.5) Estimated total value

Value excluding VAT: £250,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 35000000 - Security, fire-fighting, police and defence equipment
- 35200000 - Police equipment
- 71632000 - Technical testing services

II.2.3) Place of performance

NUTS codes

- UKI - London

II.2.4) Description of the procurement

Police in the UK currently use conducted energy devices (CEDs), specifically various Taser™ models manufactured by Axon. Enterprise Inc. The authorisation of any new CED in the UK requires significant and rigorous independent scientific and technical assessment. This testing ensures all necessary safety standards are met, alongside continued operational reliability when using the device against those who are violent or threaten violence.

The Home Office are exploring options for independent testing of CEDs against specified testing requirements which would potentially be overseen in person by government officials.

The Home Office is seeking input from test facilities that would be able to undertake testing to defined specifications for CEDs.

Currently assessments are conducted within government. The Authority is exploring options for partnering with independent test facilities that are capable of conducting physical assessments of devices, for example in terms of reliability, robustness or performance. Any CEDs and related consumables (e.g. cartridges) for assessment would be provided by the Authority

II.3) Estimated date of publication of contract notice

1 September 2023

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section VI. Complementary information

VI.3) Additional information

The Contracting Authority is issuing this Prior Information Notice (PIN) as a Request for Information (RFI) to gather market intelligence/information, to gain a better understanding of the capacity and appetite of the market.

It is important to note that this PIN/RFI is not a call for competition and as such potential providers will need to express an interest in any future tender opportunity once a contract notice is published in Find a Tender Service and on Contracts Finder.

It should be noted that this PIN/RFI invites individuals and organisations to express an interest in this RFI exercise only, and it is NOT a pre-qualification questionnaire, and is NOT part of any pre-qualification or selection process.

To request access to the RFI document please email CollaborativeProcurement@homeoffice.gov.uk and request the RFI document related to Test facility for the assessment of conducted energy devices. The document will then be sent for completion and should be returned to the same email address before the deadline. Responses are required as soon as possible to inform next steps, but the RFI will remain open until 11/08/23
