The purpose of this PIN/RFI is to engage with potential suppliers within the car and driver hire industry.

Background:

Please note, the publication of this PIN and the engagement conducted within will not form

part of any supplier selection process, evaluations or scoring. However the MPS will reserve the right to review any information submitted by a potential Supplier (via this PIN) who then participates in a live tender opportunity, should there be any doubt by review of the MPS of any serious misrepresentation.
