This is currently commissioned via a Dynamic Approved Provider List (akin to a Dynamic Purchasing System (DPS). The total expenditure for these services in 2019/20 was GBP 29.5 million with the expenditure for 2018/19 being approximately GBP 30 million.

- Incentivising providers to be competitive and maintain quality standards
- Improving ongoing quality monitoring

The model will;

- allow accredited providers registered on the DAPL to be invited to tender for each individual care placement required.
- establish a methodology which will reflect the quality of service delivered by each provider accredited on the DAPL.
- allow Service Users and/ or their families to make an informed decision based on the location and Quality score of all Care Homes who are able to offer a placement that meets the needs of the individual, alongside detail of any additional Third Party Top up that may be required (if applicable) to support the placement.

The services concerned fall under Schedule 3 of the Public Contracts Regulations 2015 (“the Regulations”) and accordingly are subject to the so called ‘Light Touch Regime’ which means that when procuring these Services the Council should comply with the mandatory requirements set out in the Light Touch Regime (Regulations 74-77).
