What Works for Children's Social Care (WWCSC) has been undertaking evaluation of the Department's flagship Children's Social Care (CSC) programmes: Strengthening Families, Protecting Children (SFPC) and Supporting Families: Investing in Practice (SFIP). A robust evaluation of these programmes was an explicit HMT condition of their funding of the programme in a 2018 autumn budget settlement. The funding will provide WWCSC with staffing and project funding, which will be used in accordance with the evaluation design for each programme and in accordance with the WWCSC aims and objectives to close the evidence gap in the sector. This notice is to inform that the contract has been extended until March 2025.
