Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated without a prior call for competition

- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons
- Extreme urgency brought about by events unforeseeable for the contracting authority

Explanation:

The Supreme Court ruled that day care services in England are required to pay VAT and are not considered “state regulated”. Following this judgement, HMRC issued VAT Brief 9 declaring that retrospective VAT was also due from the date the VAT threshold was achieved.

To prevent further implications, the incumbent will cease trading on 31 August 2022. As Medway is subject to a very limited Day Care services market and the incumbent cares for 40 Working Age Adults who may otherwise be subject to escalated alternative services, there's only a single economic entity who can deliver the required service as outlined in section 5 of this notice.

The arrangement will be for a period of 12 months with the option to extend for a further 6. This will allow the Council to establish a Dynamic Purchasing System to help develop the local Day Care market thereafter.
