Description

Domestic and Communal Electrical Installation Condition Reporting, Portable Appliance Testing, Electrical Rewiring, Emergency Lighting Testing and Remedial Works 2026-8.

Please read and follow the information and guidance supplied below and within the Tender documents, this will help with your tender submission.

Word count limits apply, any information going over will not be considered.

Respond to ALL questions.

Additional documents or information not required will be disregarded.

Please note timeline with regards to questions and submission dates.

All communications, correspondences and clarifications must be sent via the In-tend portal.

Do not contact the Service area for information, please use the correspondence facility

Regularly view the Clarification tab for updates or responses to questions received by bidders.

Questions asked together with the response, will be made available to all bidders (if not Private and Confidential), this to ensure a fair and consistent approach to all.

Avoid uploading your return just prior to closing deadline as you may incur IT issues and we will not accept Tender Returns via e-mail.

The Council will provide as much support and information as it can to help guide you through the Tender process. If there is anything you are not sure of or need clarification on, please contact the Procurement lead using the correspondence facility within the In-tend electronic tendering system.

Opting In

To inform us of your decision to participate and to be able to submit a tender you will be required to Opt In. Opting In will confirm to us of your involvement and your intention to submit a tender return.

Opting Out

Will confirm that you are no longer interested in submitting a tender return. You will be able to provide a reason as to your decision if you wish. This will cease any system-generated communications. You will be able to opt back in at any point.

PSQ Part A (Shortlisting) – Additional Questions (28.1-28.3) - will be assessed by the scoring criteria as set out in the PSQ. The questions are weighted and scores of 0 to 4 will be applied.

Other information

Conflicts assessment prepared/revised

Yes

Procedure

Procedure type

Competitive flexible procedure

Competitive flexible procedure description

The Procurement Specific Questionnaire (PSQ) will be used as the basis for shortlisting suppliers to be progressed to the next stage. The shortlist will be made up of prospective tenderers who score the most points against this PSQ and are ranked the highest and thereby become one of a minimum of the Top 5. More bidders may be added to the shortlist at the Council's discretion.
